Company Profile

Vision

- To be a fast, flexible and fair organisation that creates value for our clients by helping them access new money, new management, new markets and new ideas.

Mission

- To improve the business performance of both healthy, growing companies and municipalities as well as stressed or distressed ones, and also to contribute significantly to food, water and energy infrastructure developments across Eastern Europe, Central Asia and Africa.

Differentiator

- We focus exclusively on Eastern Europe, Central Asia and Africa where we have excellent connections. Our highly experienced professionals are individual associates or affiliated firms with competitive rates, because we have minimal overheads.

Network resources

- Wyn River has around 50 multi-disciplinary associates and affiliated firms, mostly based in our countries of operation, with local and/or regional sector and functional expertise.
- We have former CEOs, CFOs, bankers, private equity, turnaround, business development and infrastructure specialists in the network and access to many more.
